

You can be a star!

Friday, April 29th will be the first ever Journeys School Talent Show!

Students, parents, and faculty are invited to perform in an exciting evening of music, dance, magic, and fun.

Here are the details:

Friday, April 29th
5-7pm
Dining Hall

- In April, we will have a few simple rehearsals during lunch time recess so kids can practice being introduced, getting on stage, taking a bow, etc. We can also arrange for performers to practice separately on the dining hall stage.
- For the sake of a well-paced evening, please consider having your kids perform in ensembles. Family acts are encouraged! Soloists, please choose your pieces with timing in mind.
- If your child would like to perform, but doesn't know what he or she would like to do, please email us for some guidance or creative match-making.

Help us to plan and orchestrate a successful evening by letting us know how your child (or you) will be dazzling us. Send us a quick email with the following information:

- 1) Name(s) of performer
- 2) Name of your act
- 3) What will you be doing up there?
- 4) Approximately how long will your performance be?
- 5) Do you need piano or pre-recorded accompaniment?

Thank you!
