Wyoming Council of
Teachers of Mathematics
Presents

**The 2011 Wolsborn-Drazovich Wyoming
Mathematics
Competition for High
School and Middle
School Students**

**Sat, March 5
9-12:00
Jackson Hole High School**

The Details

What: The Wyoming Math Competition is an annual event for students in grades 7-12.

Students in grades 11-12 will compete in Class A, students in grades 9-10 will compete in Class B and middle school-aged students will compete separately.

How: The competition consists of 5-twenty minute timed tests that students work on individually. Calculators are permitted, but no other reference materials may be used. Pencils and scratch paper will be provided.

Where: All students will compete in the lunchroom at Jackson Hole High School.

Who: Any student who is interested in math and would like to use their skills to compete. Local contest winners will receive additional awards and recognition. Also, top scorers at the local level will have their entries sent on to the state level. Prizes at the state level may include scholarships, trophies and cash awards.
